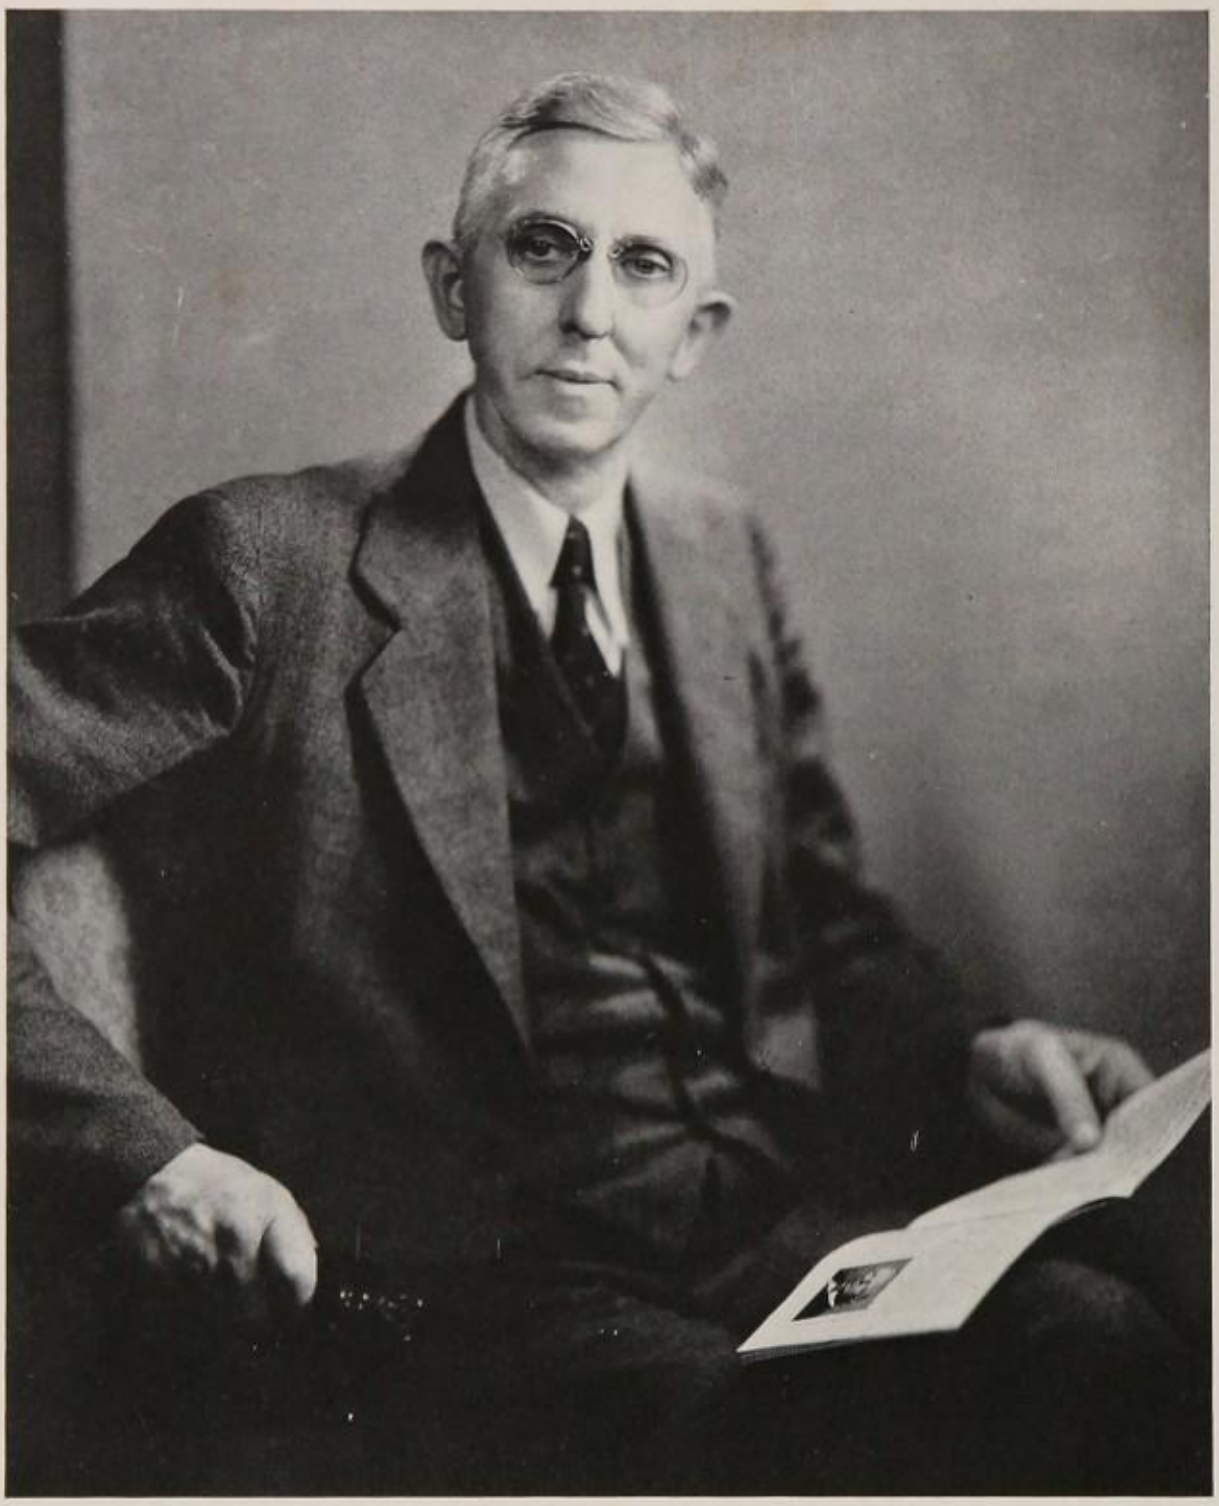
SAN JACINTO SENIOR HIGH SCHOOL



To the Graduating Class of Nineteen-thirty-three

Upon entering San Jacinto three years ago, you felt that this hour of your graduation would be far, far in the future, if, in fact, it could ever arrive. Now, in retrospect, the time seems so short you wonder how it could have passed so rapidly. It will be always so with everything you attempt. Accomplishment of that which needs to be done, although seemingly so far away, is achieved quickly and new and larger problems appear if you only do each day conscientiously the task at hand—do it the best you can, do it so you satisfy your inner self—do it so that you can face your fellows with an honest achievement.

The world needs workers whether artisans or professionals that can do the daily task with both brain and heart—with thought and love, for without either the task is but half complete. Brain will give the logical result but heart will add the finer, the intangible spiritual things that help make perfection.

We, of San Jacinto, who have touched you so fleetingly in these last three years, sincerely hope that our work has not been done merely through books but that sometime, some place, somehow, we have ignited a spark in the tinder of your soul so that peace and satisfaction may not come to you until you have done everything you can in the finest way you can.

I am writing this to you with sincerest regards for you all and fondest hopes for your future.

Executive Council

Next to the principal, the Executive Council has the final word in decisions that affect the student body of San Jacinto. Sitting in the Council is an equal number of representatives from the student body and faculty. This group has charge of the financial affairs of the school and they award all letters, sweaters, and other tokens of excellence. They also pass on eligibility of candidates for any student office.

This executive body was first organized by the late Mr. F. M. Black and has always done its work quietly and efficiently. A place on the Executive Council is one of the highest honors that a student can have bestowed upon him by this school.

Faculty

When we pause to think of what these soldiers of education have had to contend with in the execution of their duties we will marvel at their patience and kindness toward us, the student body of '33. They have untiringly striven to make intelligent and moral men and women of us. There have been times when we thought we were being held under rules that were too strict, but today as we meditate, we will softly laugh at our childish illusions and thank our faculty for bearing with us so tolerantly. We are deeply grateful to our registrars, those good samaritans who guided us through our high school careers, always aiding us in the pinches.

Mr. Rogers and Mr. Gates, our principal and assistant principal, we cannot thank enough for the deep consideration they have shown us in these years that we have been here. Their friendship was interminable and their advice golden. For Miss Johnson, our beloved dean, we cannot say enough. She is everything that we think of our mothers as being. She is faith, hope, and charity brought to life.

EDITOR'S NOTE

In selecting the beauties for this year's *El Oroso*, the pictures of all nominees were submitted to Professor James Chillman, Jr., of Rice Institute, and his recommendations were adopted by the staff as their selection.

The winners of the popularity contests were elected by the vote of the entire student body.

The most representative boy, and the most representative girl were selections made by a committee of the faculty.

Note

This book is presented as an endeavor to portray vividly as possible the events in the life of San Jacinto High School in the passing year for the perusal of friends, alumni, and students. When in after years you turn the pages of this El Oroso, the class history of San Jacinto's 1932-1933 schoolyear, the many photographs will recall to your memory the faces of old friends and acquaintances. May you forget yourself a few moments and dream as though you were living in the world where you used to love and hate, laugh and cry, gain and lose, work and play.

This, the El Oroso of nineteen hundred and thirty three, presenting itself in the seventh volume comes to you upon bended knees beseeching you to find the point in every joke, see the object in every drawing, appreciate the literary effort of every topic, and see in the completed product, life as outlined and adhered to at San Jacinto High School.

Miss Henry

Staff Advisors

We, the staff of the El Oroso, are deeply grateful to Miss Johnson, Mr. Ingraham, and Miss Henry. They have been real friends of the annual, and have indeed contributed unselfishly to its publication.

Miss Johnson's untiring aid is truly appreciated. Her wise counsel and good cheer boosted us over many a rough spot. Especially for her help in the business department do we thank Miss Genevieve, she was practically our treasurer.

Mr. Ingraham was never too busy to give his valuable assistance to the editorial staff in their literary efforts, and if the reader finds any grammatical errors in this publication, it is due to the rush in getting the copy to print and the proof not being submitted to Mr. Ingraham for correction. We thank you Mr. Ingraham for your kindness, helpfulness, optimism, and sincerity.

We would like to call special attention to the art in this book. It follows the oriental theme of "Aladdin and His Wonderful Lamp." The division sheets, subdivision sheets, and end sheet were cut from composition rubber blocks by students in our school. We feel justly proud of these cuts as they represent real advancement in high school art efforts. Under Miss Henry's excellent supervision and able assistance this work was created, and it is the opinion of the staff that this year's artistic work has never been surpassed.

Boys' Booster Club

The Boys' Booster Club, a representative organization composed of the boys of San Jacinto, has concluded a year of high accomplishment.

This past year the club sponsored the annual vodvil, installed a microphone in our auditorium, contributed to the student loan fund, and has given aid whenever possible.

The chief recreational activity of the Booster Club was the annual Bay Party, held this year at Camp Allen.

The club was organized for the purpose of benefiting San Jacinto, and it is carrying out its purpose in every possible manner.

CABINET

San Jacinto Senior Cadet Corps

The San Jacinto Senior High School Cadet Corps was organized in the fall of 1928 with Mr. Alton Harding as Commandant. The organization and training is conducted as a part of the Houston Public School System under authority from the War Department.

In the fall of 1931, Major, then Captain John L. Lee, took over the direction and training of the Corps.

The Corps won the annual trophy for the first time in the spring of 1932 donated by the Houston Chapter, Reserve Officers' Association of the United States, for the best Cadet Corps among the various Senior High Schools of the city after three previous competitions.

The Corps, through one of its members, Corporal Robert Dyer, won the Cup presented by The Majestic Theatre and Mr. J. Wexler in the spring of 1932, for the best individual cadet among the Cadet Corps of the Senior High Schools.

MAJOR LEE

Many of the ex-members are making good in higher institutions of learning or in civilian pursuits. The course in military science and tactics teaches the subjects of loyalty, self sacrifice, devotion to duty, and respect for constituted authority as well as the basic subjects in Military Science and Tactics.

Many of the ex-members of the organization are pursuing a higher course in Military art, thereby fitting themselves to become our leaders of tomorrow in case of a National Emergency. Many have already received their commissions in the Officers' Reserve Corps Component of our National Army.

The organization has always received the whole hearted support of Mr. T. H. Rogers, Principal; Mr. E. C. Gates, Assistant Principal.

Seventh Period Chorus Class

Yes, this is Mrs. Belle McGinnis' seventh period chorus class. Not a "Glee Club" but just an ordinary class, no, a very extraordinary class. Every member sings and sings well, or else—

This year the Kiwanis Exchange, Lions, Purchasing Agents, Teachers Institute, and the Shriners have been entertained by this group. In fact, wherever San Jacinto High is to be represented we are there one hundred per cent.

The "S" Association is composed of men who have lettered in any of the three major sports recognized by the executive council, Football, Basketball, and Track. The Association is in its third year, and, although starting late in the school term, it has accomplished much this year. Its main objective is to bring about closer relationship between the past and present lettermen of the school and in doing so bring about more school spirit.

El Circulo Espanol

El Circulo Espanol was organized in 1925 for the purpose of stimulating interest in Spanish. Its activities include weekly meetings, an annual picnic and an annual banquet.

The membership numbers 200.

The club benefits the Spanish Department and the School at large.

The Presidents' Club

The Presidents' Club is an organization composed of the presidents and sponsors of all the clubs and representative groups of San Jacinto. It was organized at the suggestion of Mrs. McGinnis, who served as its president until this year. The club is a centralized unit that carries out much of the social and charitable work of the clubs. It established a Loan Fund during this past year for the benefit of needy students.

The Presidents' Club shows promise of being a most helpful and active group in San Jacinto.

Little Drury Lane Dramatic Club

The Little Drury Lane Dramatic Club, under the able direction of Mrs. Minnie Mitchell, has been very active since its organization five years ago. Twice the club has won its way into the state championship tournament. Its members have put their very best into the plays they have put on and are to be congratulated on their fine histrionic ability.

Campus Cub

The Campus Cub, official publication at San Jacinto Senior High School, is a semi-monthly newspaper published in the interests of the faculty and students of the school.

During the past year, under the sponsorship of Mr. Birney, and with the active management of Eugene Sisk, Dan Scher, and Walter Cronkite, the paper has been able to maintain its usual high standard of quality in spite of the depression which has forced many high school papers to discontinue. The Campus Cub has reduced its subscription price, and made a most advantageous agreement with the Metropolitan theatre whereby subscribers have saved considerable money on theatre attendance.

Students deserving special mention this year because of their excellent work on the Campus Cub business staff are: Robert Krakower, advertising manager; Maurice Dushkin and Dorothy Jewett, business managers; Carolyn Rosenberg and Freda Redman, circulation managers.

Students who contributed much to the news interest of the paper include: Billy Bell, Phil Peden, Martha Tanner, Gayle Spears, Rosalie Hanna, Claude Cody, Fred Glenn, Russel Engbrock, Florence Mae Albrecht, and Majie Craig.

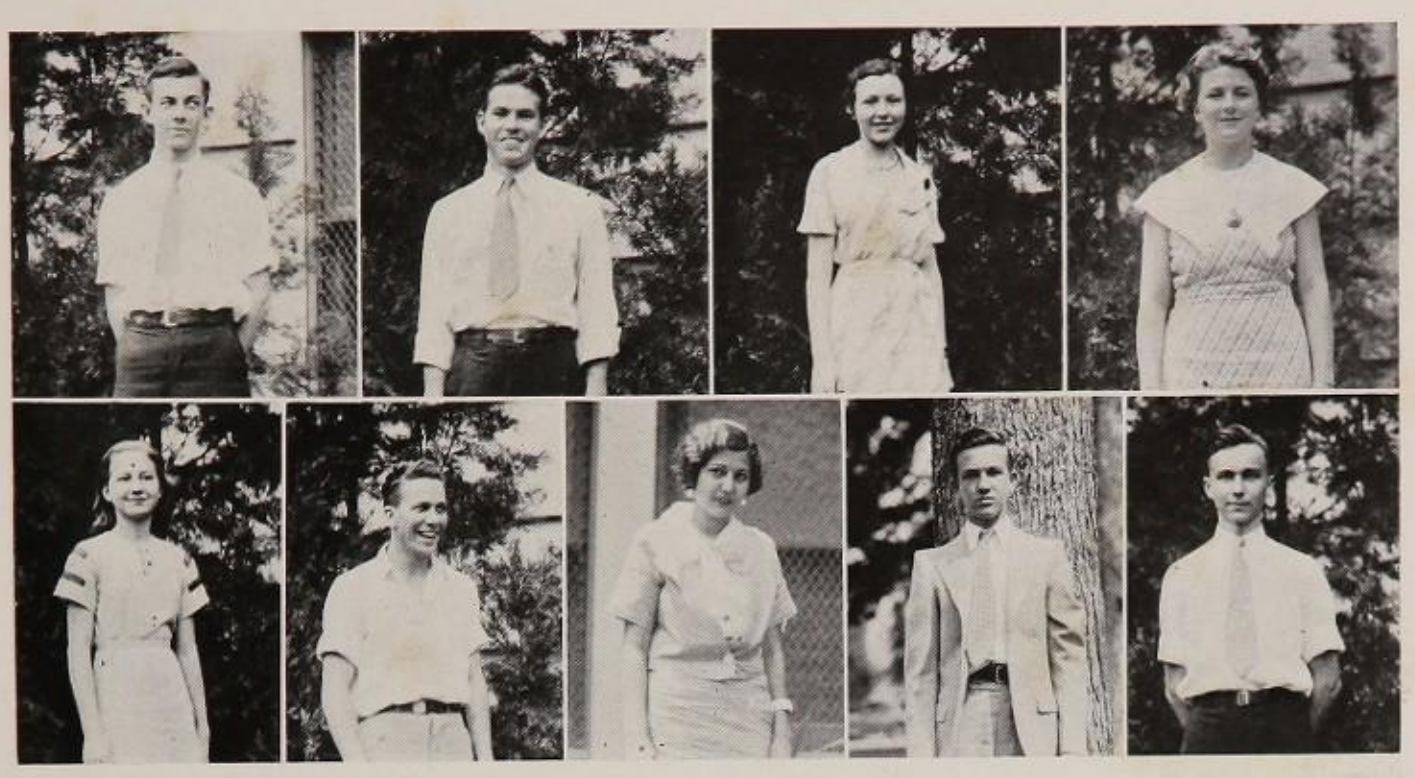
THE GIRL RESERVE CODE

As a Girl Reserve I Will Try To Be:

Gracious in manner
Impartial in judgment
Ready for service
Loyal to friends

Reaching toward the best
Earnest in purpose
Seeing the beautiful
Eager for knowledge
Reverent to God
Victorious over self
Ever dependable
Sincere at all times

Pledge: I will do my best to honor God, my country, and my community; to help other girls, and be in all ways a loyal, true member of the Girl Reserves.



Speaking Activities

As usual San Jacinto can boast of being well represented in the line of speech arts. The 1933 debating squad was one of the best that San Jacinto has ever had. On the boys' team are Frank Smith and Jim McGoodwin, each having had two years experience in debating. After winning second place in the state meet as extemporaneous speaker last season, Frank Smith developed into a powerful debater this year. Jim McGoodwin, one of the most colorful speakers this school has ever produced, will be with the squad another year.

Representing the girls' team Erna Koberling is serving her first year. She is a very earnest worker and promises to place her school at the top of the list next year. Jacquelyn Spell is leaving this year after having served the team for two years; she has done more toward bringing the girls' team to the front than any speaker we have ever had.

To Bill Blanton goes the honor of winning this year the city and district championship in extemporaneous speaking. In co-operation, team work, and unselfish traits of character, he cannot be surpassed. Dorothy Whitten was San Jacinto's girl extemporaneous speaker and placed second in the city meet. Dorothy will be here next year to try for the debate team. She is a forceful speaker and has a fine chance to make next year's team. Morrison Ireland and Isabelle Bashara were the declaimers for San Jacinto. Both showed fine class work throughout the year and took third place in declamation in the recent city interscholastic meet. Floy King and Julianne Still served as alternates for the girls and were very capable for their positions. The boys' debate team was fortunate in having Harry Bussa and John Stephen for their alternates. Mr. Barber, the coach, was well pleased with the representation of speakers for San Jacinto this year and looks forward to even greater success next year.

This page is dedicated to Miss Doris Wessendorff's registration as the prize for winning the El Oroso Subscription Contest. The contest, in which all the registrations were eligible to enter, was sponsored by the Circulation department of the El Oroso. The winner was the registration which had the highest per cent of subscribers to the annual. It was necessary that this be over 50% of the students in the class. The contest closed Friday, April 21st. Miss Wessendorff's class won with 28 subscribers out of 33 students in the class or about 85%.

REGISTRAR'S NOTE

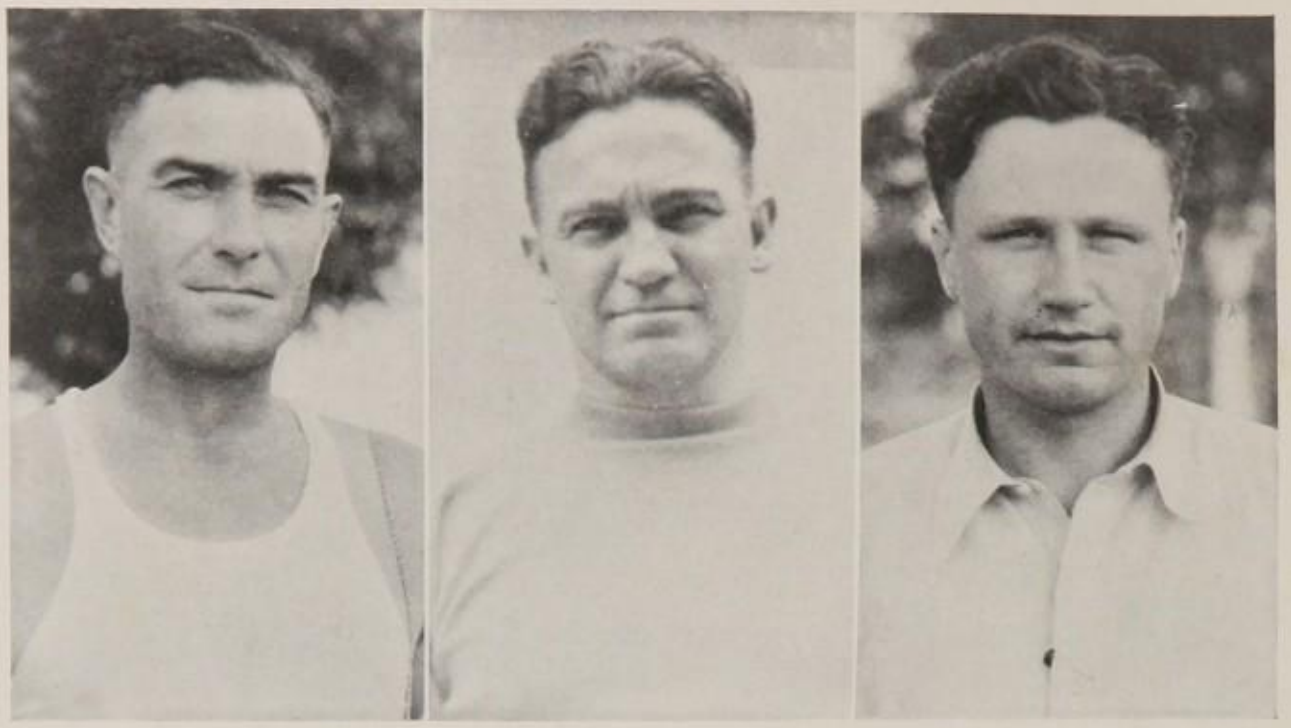
"Three years have passed since the morning I welcomed an enthusiastic, hopeful sophomore registration to San Jacinto. What I was to discover in that group of boys and girls I knew not, but it took but a few short months to determine their abilities and their limitations. Eager to forge ahead, as they had done in Junior High School, they applied themselves readily to school work and to activity.

"Time proved these students capable in many things, and also proved their willingness to accept responsibilities as leaders or as followers, whichever they happened to be. Their school life has been well-rounded, because they have made it so. Scholarship has been coupled with activity but has not been neglected to favor the latter, and the recognition accorded them today is the harvest reaped from three years of diligent effort and of service rendered San Jacinto.

"Graduation brings with it a score of possibilities, and it is with best wishes and highest personal regard that I wish these students of my registration success in their new adventure."

—Doris Wessendorff

ATHLETICS



HODGES SUMMERS HARDING

Coaches

Coach Walter Hodges has been tutoring San Jacinto's football and basketball teams since 1924. He has become an athletic god at San Jacinto, bringing to this school enough silver cups to nearly fill the trophy cabinet. His name has become synonymous with great basketball teams in the southwest. His teams, both football and basketball, have been highly respected in Interscholastic standing, and have been feared by all opponents.

However, "Coach's" fame is not alone through his teams. As athletic director at San Jacinto he has made hundreds of lifetime friends through his association with the boys of his physical training classes. The way he handles the Bruin athletes has brought praise from all with whom he comes in contact. And last but not least, Coach Hodges has pulled through nine strenuous years at a hard job without losing a friend or making an enemy.

From Hamilton Junior High came this year Mr. Summers. A brilliant line coach to aid "Cap" Harding in sealing the Bruin line against opposition. Although he acted in the capacity of a part-time coach, his coming to the Bruins put new zest and life into the squad. His able assistance enabled the Bears to take second place in the city ranking. He will be back to assist the coaching staff next year and the 1933 squad is looking to him for guidance.

Since 1928 Mr. Alton Harding has been producing winning track teams at San Jacinto. The name Alton is foreign to him for he has been called "Cap" by his boys since the time when he was sponsor of the R.O.T.C. unit here.

Although his fame is spread by his track teams, he is also line coach of the Bear football team and assistant basketball coach. Nevertheless, it is his track and field teams that bring notice to San Jacinto. For six years the Bruin track and field men have won the city title. Out of seven entries they have annexed the district six times. They have reached the apex of track fame once—in 1930—when they took first place in the Texas Interscholastic meet. This year his team failed to place but next year "Cap" will be back to regain the title for San Jacinto.

FOOTBALL
COLLINS

Football Season

The Golden Bears opened their 1932 campaign in a game with South Park High of Beaumont. The game was played at night and initiated nocturnal football to Houston fans. The Bears lost this game by a 7-0 score.

A heavy, fast Beaumont Royal Purple team proved to be too powerful for the Bears in the annual game at Beaumont. In this, the Bruins lost 19-0.

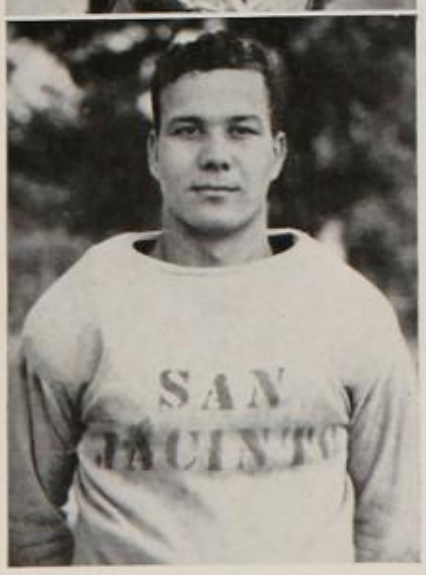
The Golden Bear attack clicked effectively in the third game of the season as San Jacinto beat Ball High, 13-0. The stronger Bear line held convincingly, and Ed Tigner was able to score both six-point markers and to convert for the extra tally.

The following week the Bruins played their first game of the District race, against Austin High Broncs of Bryan and held this powerful team to a scoreless tie.

After outplaying Reagan's Bulldogs for the first half, the fighting Golden Bears went down valiantly before the Heights boys, 28-0. Led by the brilliant Asbell, the Bulldogs had to go into the air for victory after finding the Bruin line too closely-knit.

The following Friday the husky Bears romped over the light Milby team to secure their first outright win of the district and city race. They beat the Buffaloes 21-0.

The San Jacinto team hit its stride in the dope-upsetting 0-0 tie with Sam Houston on Armistice Day. Favored to win by a top-heavy score, the Tigers had to be content with a scoreless tie and thus lose their chance at the district title. The Bear defense was at its best and showed unexpected blocking and tackling power.



On November 18, a cold, rainy day, the Golden Bears finished their 1932 season by slopping a 14-6 victory from the Jeff Davis Panthers. The field was an actual sea of mud but the Bruins proved themselves as good swimmers as football players and took their fourth consecutive victory from the North Side team.

Co-captains

Ed. Tigner—"Tig" this year played his last game of football for San Jacinto. He has lettered with the Bruins for three years, the first in spite of a leg injury that kept him out of several games. He has played with the Houston All-Stars for three years and has been placed on the mythical all-city eleven for two years. Need more be said about the qualities of the brightest of Bruin stars?

Francis Galle—"Little" Galle has been to the line what Ed Tigner has been to the backfield. In winning his third football letter, "Lightnin' " made the middle of the Bear line the city's best, and was chosen all-city center. San Jacinto will have to search widely for a player to fill Francis' big position.

EARNEST GAMMAGE—"Ernie" to his pals, proved a guiding light to the Bear line this year. When this husky guard hit 'em they remained hit, according to some of the unsuccessful opposition. Gammage this year received his second "S" from San Jacinto and all-city honorable mentions. He also graduates this year and his loss will deeply affect the Bruin line.

J. G. MARTEL—J. G. became a member of the "S" Association through his brilliant backfield work this year. He showed up exceptionally well in the Beaumont and Reagan games and his work in the others was anything but mediocre.

"RED" MCCULLOUGH—"Red's" record of winning two letters in a position also played by Francis Galle speaks for itself. James was a hard-driving, line-smashing center, and deserves his hard earned second letter.

CALVIN BRUNNER—"Red" won his first letter this year and is a very promising prospect for next season. His backfield work was fine, especially in the pass-snatching department.

HARRISON SHEPHERD—In winning his second "S" from San Jacinto Harrison played a remarkable game in the backfield. His fame didn't spread far and wide but it was he who moved in and opened the hole for the Bear star who was carrying the pig skin.

CHARLES BENDER—Bender this year secured his second letter by playing a consistent game at tackle. Charlie didn't shine and wasn't acclaimed as a hero, but his steady plugging was one of the reasons why San Jacinto gained its place in the city and district ranking.

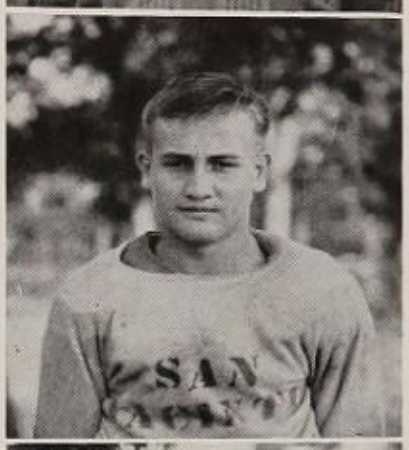
FRANCIS NEWBERRY—Francis this year secured his first letter from San Jacinto by playing a stellar game at left tackle. Although his name was often off the starting lineup it was not an uncommon thing to see him dash in to do his part.

CHARLES CASPERSON—Playing at right end, Charlie turned in a truly remarkable performance. This was his first and last year with the Golden Bears as he leaves the alma mater this year. He played on the Houston All-Stars and was on the mythical all-city second team.

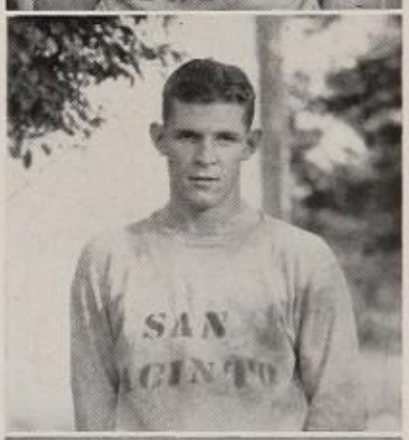
HERBERT MAY—This Bear end turned in some fine games this year to win his first letter. Herbert's bruising line play made him a dependable player. He will be back next year and Coach Hodges is expecting a lot of him.

GORDON ROUNTREE—A newcomer to the ranks of Bear lettermen, he has shown great promise this year, and has served notice that he will be heard from next season. He won his letter by playing guard and is expected to star at that position next year.

ROY CALLOWAY—His hip-twisting maneuvers carried the ball many a yard for San Jacinto. He will be back next year and will prove one of Coach Hodges most successful proteges, take it from us. He was the only San Jacinto player to place on the Chronicle's mythical all-city third string eleven.



JOHNNY HOLMES—Johnny was one of San Jacinto's leading linemen and one of the city's best guards. In the unpublicized position of guard, Johnny played a hard game, and wasn't even stopped by a broken nose. In winning his second letter, Johnny was one of the few selected to play in the all-star game.



RUSSELL HENSCH—San Jacinto's man mountain secured his third letter this year after turning in a brilliant performance at left end. In spite of an injured knee Russell stayed right in the lineup and played a brilliant enough game to get honorable mention as an all-city player.

WAYNE ANKENMAN—Wayne was one of the bright lights of the Bear offense this year. Wayne more than overcame his handicap of lightness, and through his steady play, was chosen on the all-star team. Wayne's impressive work assured his winning of his second letter. What is more, he will be back to lead the Bear backfield next year.

J. C. BALDWIN—J. C. won his second managerial letter from San Jacinto this year. He has efficiently managed the Bears through a trying season and it was through his co-operation that the Bruins were able to place so high in the city and district race. He graduates from San Jac this year and it will be hard for Coach Hodges to locate a righthand man that will have the qualities of Baldwin.

Callaway fumbles. This was a very cloudy day

Basketball Season

While this past season's team did not measure up to previous Bear basketball standards, it outfought more experienced rivals and made them show their best playing ability to come through on top of the hard-fighting Bruins.

In the season's opener, Lipscombe and Cheatham tied for high-point honors with 11 points each, as San Jacinto defeated Milby, 44-20.

Norris Lipscombe was the Bears' leading scorer as San Jacinto bowed before Sam Houston 46-27 in the second game of the year.

The title-bound Davis Panthers swept over San Jacinto in the next game, 40-28, with Norris again copping scoring honors with 11 markers.

In an overtime game, the Bears dropped a heart-breaker to Reagan, 37-32, an extra-period rally giving the Bulldogs the decision.

Big Russell Hensch led the Bruins with 14 points to a 39-12 victory over the helpless Milby Buffaloes.

Benny House celebrated his conversion into a starting forward by leading the San Jacinto point-scorers with 14 points as the Bears lost to Sam Houston, 36-33.

Next week, Davis again demonstrated her power to win 48-34.

In the memorable last game of the season, the fighting Bears had to feel once more the sting of a Reagan victory, when the game was finally completed the score stood at 32-30, but the difference between the two teams' ability was even less than two points.

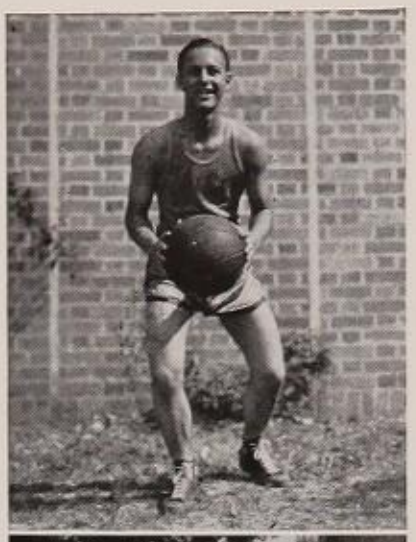
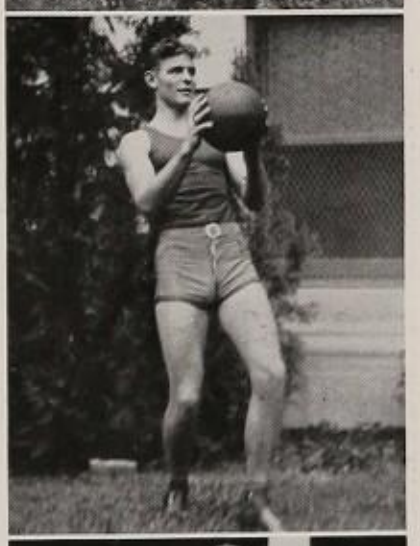
Co-captain Norris Lipscombe, smooth-playing little forward, was probably the most polished player on the team. While lack of height is bound to be a distinct handicap to a basketball player. Norris won his second letter by playing one of the best games seen by Bear fans this season.

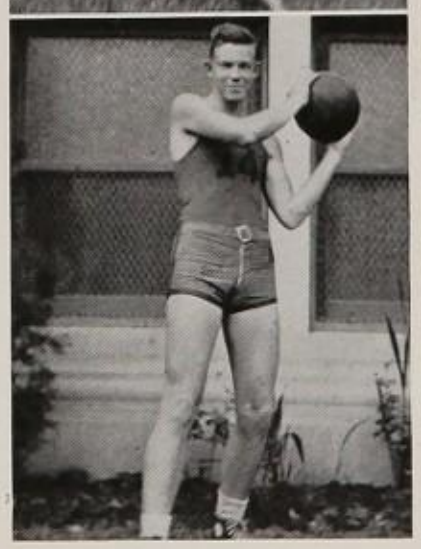


Roy Callaway was San Jacinto's steadiest and most dependable guard. Roy could not be called an effortless player, for he always extended himself and played his hardest game. His hardy work left no doubt as to whether he deserved his first letter.

Co-captain Russell Hensch was a tower of strength in center position for the Bear basketball team this year. In earning his third basketball letter, Russell turned in many sterling performances, and was seldom out-jumped at the tip-off.



Herbert May proved the fallacy of the statement that all men are born equal. His six-feet four inches of height gave him a distinct advantage over his shorter opponents, and he played a smash-up game at guard for his first letter.



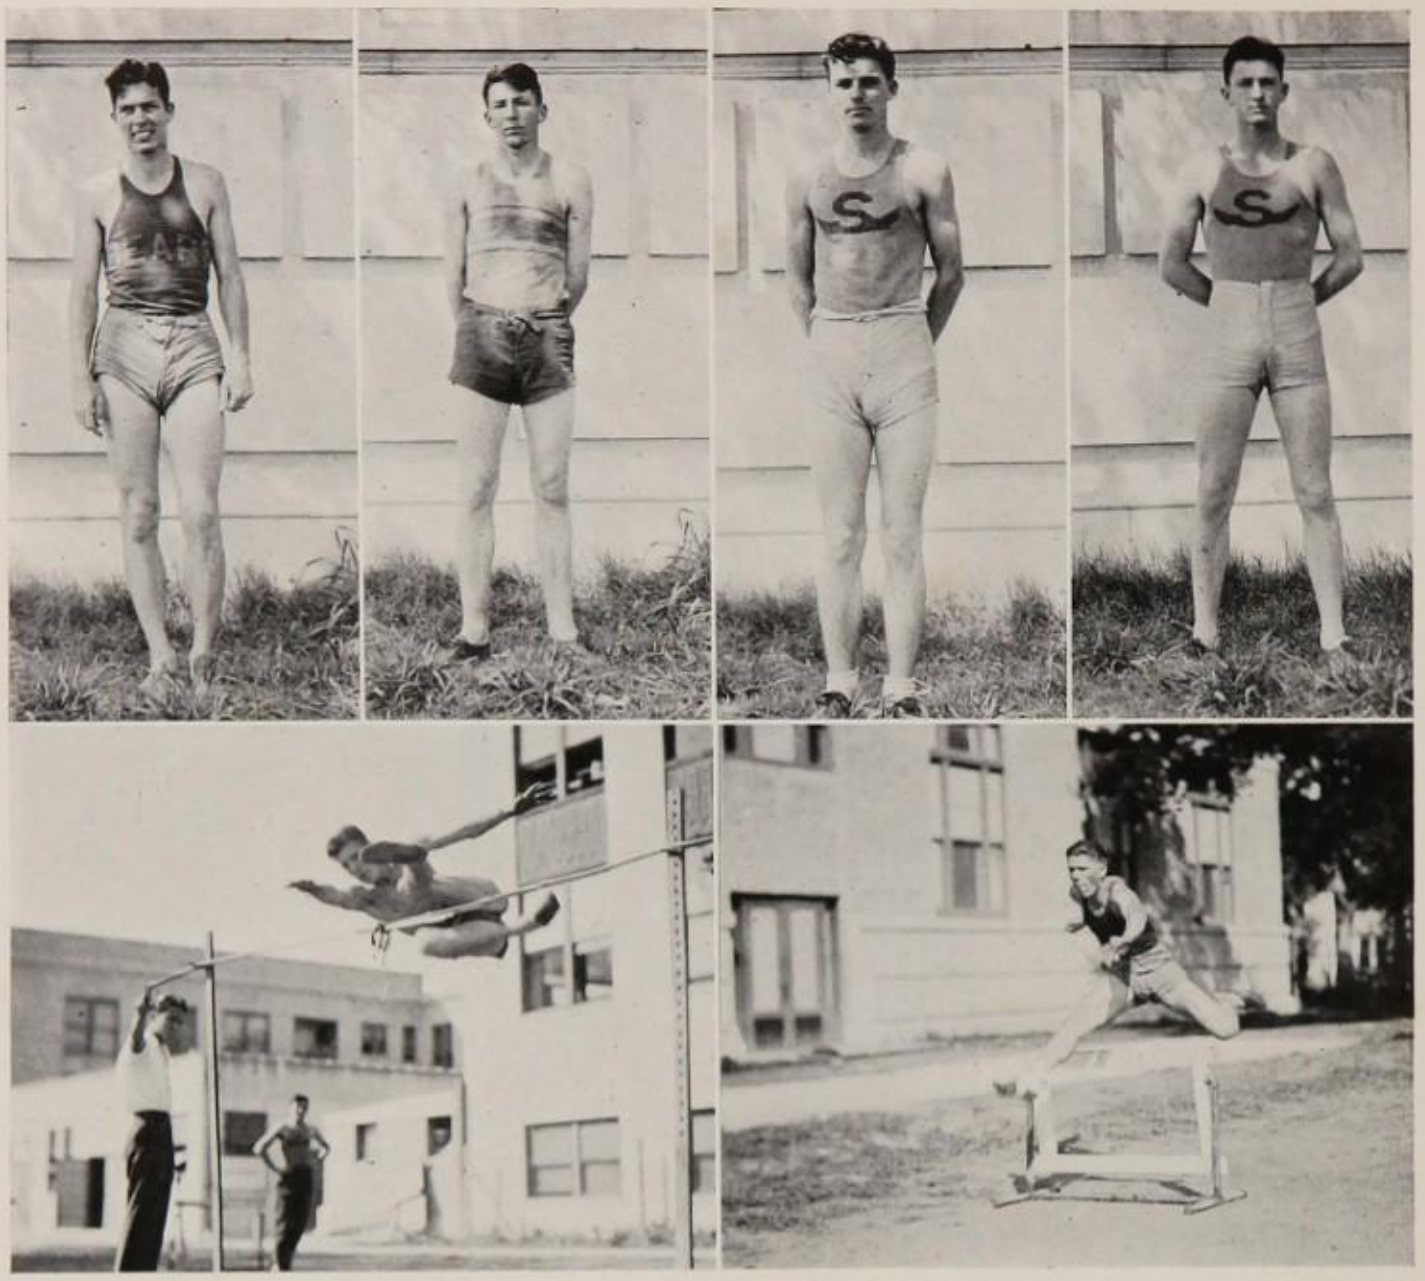
Benny House was not listed as a starting player in the early games, but his playing ability developed rapidly and he soon was converted from a starting guard to an outstanding forward. Benny's play was especially good in the last few games, his three quick shots in the last Reagan game being the highlights of the encounter.

Thornwell Cheatham's polished floor work assured him a place among the seven select players of the Bear basketball squad. "Charlie" shined with his eagle-eyed shooting to win his first letter.

Saul Gerber earned his first basketball letter by proving himself to be a hard-working and rangy guard. "Goober" covered his opponents well, and cut down many attempted rallies by his close guarding.

Manager Ronald Kropet was of invaluable aid to our team. Ronald could always be counted on to do more than his part of the work. He took excellent care of the uniforms and other equipment as his duty required.

TRACK



Track Season

This season the Bears once again have excelled in the sport of track. After their introduction into first class competition at the Fort Worth meet, in which they took second honors, the San Jacinto track and field athletes won every invitation meet they entered.

From among a large and fast field the Bruins captured second place in the Fort Worth Fat Stock Show meet. After travelling all the way to Fort Worth, the Bears deserve plenty of praise for their winning of second place in the Stock Show contests.

On April 9, the San Jacinto representatives repeated their victories of the previous three years in taking the annual Beaumont Invitation meet. With 300 athletes competing, the Bruins needed 29 points to win.

The next week, Truman and his hard-working mates came through to qualify for the State meet, and to win the District 21 championship with 41 points.

Charles Casperson, Truman Thomas, Jack Clarke, Wilbur Eiserloh, Homer Holcombe, David Weichert, and Grady Harrison were the qualifying athletes.

Scoring 29 points, the Bears flashed through to a spectacular victory in the Fiesta de San Jacinto meet at San Antonio.

In the Baylor Invitation meet at Waco, the Bears' last invitation tournament of the season, Truman Thomas led San Jacinto to victory and established a truly great record. In winning the 120-yard high hurdles, Truman was clocked at the time of 14.5 seconds, which is .3 of a second more than the world's record.

State Meet

A Bruin track team of eight men qualified in the district meet at Pasadena and entered the Texas Interscholastic Meet at Austin. On Friday, May 4, the qualifying heats in all events were held. Truman Thomas qualified in the 120-yard High Hurdles, the 220-yard Low Hurdles, the Running High Jump. Charles Casperson qualified in the 120 High Hurdles and 220 Low Hurdles, and David Weichert qualified in the Pole Vault. Eiserloh, Clark, Holcombe, Norris, and Harrison failed to qualify.

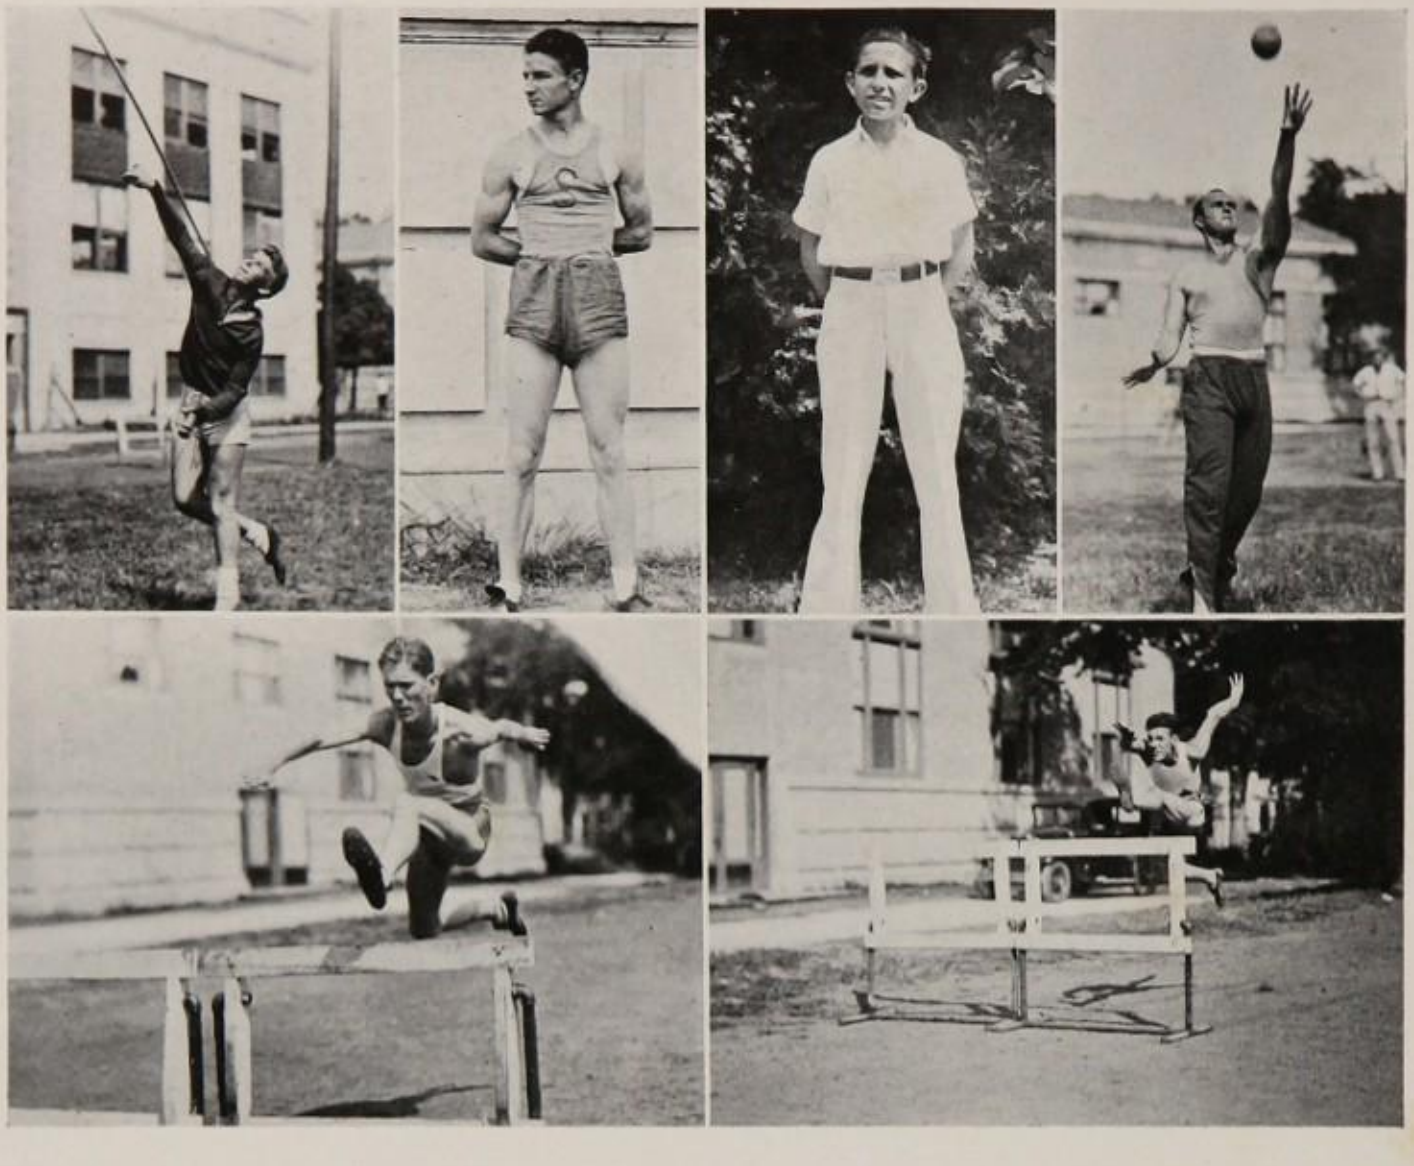
On Saturday, May 5, the finals and semi-finals were held. In nine out of the fourteen events a new State record was set. One high school record was tied and one Southwest conference record broken.

In the semi-finals of the 120 High Hurdles, Thomas won his heat and set a new State record. The old record of 15 seconds which was held by Baldwin of Wichita Falls was lowered one tenth of a second by Thomas, with a time of 14 and nine-tenth's seconds. Casperson took fourth place in his heat, a non-qualifying position.

In the semi-finals of the 220 Low Hurdles Thomas again won his heat but fell short of a State record. His time was 24.9 seconds, the old record held by Ablowich of Greenville being 24 flat. Casperson had bad luck and tripped on the next to last hurdle to finish fourth, again a non-qualifying position.

The pole vault and high jump had no semi-finals. Earl Meadows of Central High School, Fort Worth, did some sensational pole vaulting to set a new State record of 13 feet, 1½ inches. The old record was set two years ago by Atkinson of Dallas when he vaulted 12 feet, 3½ inches. Weichert tied for second in this event by jumping 12 feet, 11 inches. Thomas failed to gain a place in the high jump.

Thomas was defeated in the 220 Low Hurdles finals by mere inches by McGarraugh of San Antonio. In the 120 High Hurdles, Thomas again took second, this time being defeated by Daniel of Eastland.



Co-captain Truman Thomas is probably the outstanding track star ever produced at San Jacinto. His records in the high and low hurdles and in the high jump stand up well beside Texas college records in the same events. In fact, his record of 14.5 seconds in the 120-yard high hurdles is .1 of a second better than the Southwest Conference record. In the low hurdles Truman took first place in the Waco, Beaumont, San Antonio, and District 21 meets. His mark of 6 feet, 1 inch is an exceptionally fine one in the high jump, and enabled him to take that event in the Beaumont, San Antonio, and the District meets. His versatility is shown in the fact that he is also a member of the state-record holding 440-yard relay team.

Co-captain Wilbur Eiserloh is the Bears' ace sprinter. He took fourth in the 220-yard dash at Waco and won second place in the District tournament. He is also a member of the record-winning quarter-mile relay team.

Charles Casperson has teamed up with Truman in the hurdles for the past two years to bring in many badly needed points for the Bruins. He finished second only to Truman in several meets, and broke the old high hurdle record at San Antonio.

Homer Holcombe teams up with Wilbur in the dashes and is also a member of the relay team.

Jack Clarke, this year's track find, is San Jacinto's best 440-yard dash man. He took second place in the Beaumont meet and was an outstanding member of the relay team.

David Weichert has been taking care of the Bears' pole-vaulting in fine style, coming through with second places in the San Antonio and Waco meets.

Grady Harrison is the only San Jacinto weight man to win prominence in the invitation meets, and is a promising discus thrower of real ability.

Cross-Country Team

The San Jacinto cross-country team of 1932 carried out Bruin tradition to win the city championship. This year's win increased the total of Bear wins to two. All five high schools entered teams this year due to the city-wide curtailment of expenses in athletics.

The distinctive thing concerning the 1932 season was the change of coaches. Last year Mr. J. E. Williams coached the Bruins but this year he took over the sponsorship of the Boys Booster Club. He found it necessary to resign his post as coach. His loss to the team was deeply felt. He had brought them through championship and had been a friend to "his boys." So Alton "Cap" Harding was appointed coach of the Bears and proved himself as capable a handler of the long distance runners as a coach of the regular track and field teams.

The team elected Clinton Norris, two year letterman, captain of the squad. His team consisted of Lew Hill, Fred Glenn, Joe Johnson, and Phillip Witherspoon. The team was dogged by the bad luck demon, but always came back and recovered sufficiently to win the necessary points. Early in the season Johnson broke his shoulder during a football game and was kept out of practice some weeks. In the middle of the season Lew Hill came down with an attack of influenza, he rose from bed one afternoon to win fifth place in a meet against Sam Houston.

The Bears participated in three meets during the year. The first was a dual meet against the Rice Freshmen. They lost this first encounter of the year. However, they shifted the lineup a little and in the next meet, against Sam Houston, emerged victorious with a 22-33 score. The final meet of the year was the city championship which was over the Hermann Park course. The Bears defeated the other teams entered by a large score. The Reagan Bulldogs won second place honors.

Hockey Team

The Golden Bear Hockey Team swept through another year without losing a game. Their opposition consisted of only two schools. They played St. Thomas three times and Sam Houston twice. The premature closing of the rink brought the season to an abrupt close.

During the season they scored forty-eight points while their opponents made only four. They held Sam Houston scoreless in one game and throughout the season were never scored on over once in a single game.

Captain Billy Eckhardt, three year letterman, led the Bears to their third championship. He played at center and was highly effective in this position. He scored eleven goals during the season to take second place in scoring honors.

Don Kavanaugh played right wing for the Bears. He was the high point man in the Houston Hockey League with a total of thirteen points.

Dominick Mauro played the other wing position for the Bruins. Although a newcomer, he proved to be of invaluable assistance to the Bears.

Allen Hilburn, three year letterman and 1931 captain, returned to play right defence. He will be lost to the 1933 hockey team and his absence will be greatly noticed by the players and fans.

Burton Hull played the other defence position. He was an effective player in this position and much credit is due him.

Wilmer Balderach defended the goal for San Jacinto. He shared the net with Billy Moody. Both played great games all season.

Coach E. B. Ingraham tutored the Bears and enabled them to win high honors by his perseverance. It is to him that the hockey team looks for intelligent guidance.

Boys' Tennis Team

The boys' tennis team of San Jacinto did not succeed in gaining a high percentage of victories in the city and district tournaments, but their stellar brand of play received high praise from the experts who witnessed the matches. The Bear racquet men were: in the singles, Ebbie Holden; in the doubles, Morrison Ireland and Ward Adkins.

The team was coached by Mr. Stuart Mackay. He is a full time mechanical arts teacher but each year takes time off his regular work to coach the tennis teams. His teams have, during his six years of coaching won the city, district, and bi-district titles four times, and the runners-up in the state once.

In the city meet Holden swept through the opposition to defeat Costa of Reagan in the finals. In the district meet the Bruin netter was less successful and lost to a Galveston entry. However, Holden will be back next year and will be seeking sweet revenge. This year he was thought by many to be the best high school tennis player in this section of the state, and it is being predicted by those who know that he will go far in the state tournament next year.

The doubles team was defeated by the Reagan team of Costa and Moers. Neither Ireland or Adkins will be back next year. For three years they have given to San Jacinto a high grade of tennis and their loss will be sorely felt by Mr. Mackay in 1934.

Girls' Tennis Team

The Girls' Tennis Team has just completed one of the most successful years in the history of San Jacinto. The six girls on the team are skillful players, and the results show that their best efforts went into the games they played.

Frances Heyck, Senior Class, '33, who has been on the team for two years, played excellent tennis. She won the city singles title, then the district meet, and finally, went to the State tournament at Austin. She brought great honors to San Jacinto by her efforts.

The doubles team, composed of Gay Ingram and Maris Sims, won the city meet after defeating teams from all the high schools of Houston. In the district contest they went to the finals, but lost the last games.

The other three members of the team, Doris Ames, Winnifred Helm, and Mary Frances Carraway, were alternates, and did splendid work. Doris Ames has been on the team two years, and will be back next year. Winnifred Helm and Mary Frances Carraway played on the team for the first time this year. They are seniors, and San Jacinto will regret losing them.

All these girls won their place on the team in the tournament which was sponsored by the Girls' Tennis Club last fall. The first six ranking players were placed on the team.

For many years the Girls' Tennis Team has been an institution in the school. A few years ago, Miss Genevieve Johnson was the sponsor of the team. After Miss Ida South came to teach here, this position was given to her because of her interest in this sport. When Miss South left San Jacinto this year, Miss Toler was appointed her successor.

This year's team and its sponsor deserve a big vote of appreciation from the students of San Jacinto for their hard work and final achievement.

Yell Leaders

In spite of the fact that San Jacinto's football eleven this year did not rank at the top we had a rather large attendance and plenty lusty yelling.

Our cheering section was, and always has been, second to none in Texas and we are indebted to three peppy fellows for holding up its honor during 1933.

They are our Yell Leaders, Robert, Bert and Carroll. These three fancy yellers succeeded the famous trio of last season, Greenhill, Grubbs, and Ware, and proved themselves worthy of the honor.

The Girls' Pep Squad was at their command (the lucky so and so's) and under their direction did much plain and fancy yelling.

Robert Gartner, the boy with the "ladies' man" smile, will always be remembered by us as an outstanding pal among a whole school of pals. We only hope that his successor as head yell leader is as good as he has been.

Bert Johnson cannot be forgotten for his personality. At the first of the season he acted a wee bit timid but he soon overcame that and turned out to be a "hotcha."

Carroll Martin came here recently from South Carolina. He was a big hit right from the beginning (especially with the ladies) and it was no surprise to us when he was elected to the yell leader squad. Carroll is one of the best.

Girls' Activities

Volley ball, basketball, and baseball in season; tennis, swimming, tumbling, tap dancing, and normalizing exercises all year round, made a busy program for the 1000 girls who passed through the doors of the gymnasium this year.

Under the supervision of Miss Harriet Brush and Miss Pauline Woods, the girls' two gym teachers, successful teams were chosen. In the fall, the volley ball championship was won by Miss Woods' Fourth Period team; basketball, with Miss Brush's All-stars coming out with the championship followed in the winter; and lastly, the baseball finals in May were completed.

The non-seasonal activities, particularly tap dancing, tumbling, and exercising, were brought to a conclusion in a dance pageant, which was given on May the fourth in the boys' gym. A great deal of credit goes to Miss Brush and Miss Woods for the time and effort they put in this affair to achieve the interesting and entertaining results.

This pageant was one of the most enjoyable parts of the year's program for the 300 girls who were in it. Every class was responsible for one or two numbers, and any girl who was interested in her class number could be in it.

Thus ended the year.

Miss Brush's Teams

Maris Sims, captain, led Miss Brush's All-star Basketball team to championship in the finals this year. Good coaching and co-operation among the members produced an exceptionally fine team which took the championship from Miss Woods' All-stars by a narrow margin. Working like clockwork, the girls played extraordinary basketball, and it was a well-deserved victory. Here's to you, Basketball Champions of 1933!

The Fourth Period Volley Ball team tied twice for the volley ball championship, but yielded reluctantly to Miss Woods' squad in the final game. Miss Brush's excellent coaching of both teams was a big factor in their success.

Miss Woods' Teams

Although they put up a stiff fight, Miss Woods' Basketball All-stars yielded the championship to Miss Brush's girls. The team, consisting of the finest players, worked together like well-oiled mechanism. The final game was a match between two teams perfectly poised and coached. It was a toss of a coin as to which one should win.

Miss Woods' Fourth Period Volley Ball team won the championship from Miss Brush's squad after three hard fought games. Twice the would-be championship game was tied, and the third game was won by only a hard fight and a few points. Miss Woods coached her girls strenuously, day by day, and produced two of the best teams we have seen.

She ain't what she used to be, since she took our muscle building course

Professor A. Frank Smith of the We Makeum Muscle Corporation says, "Two inches of solid, tough, sinuous muscle added to your biceps . . . or it won't cost you a cent. This is our money back guarantee, and can't fail proposition. If I had not done this for hundreds of young people, I would not make this offer. I am sure of myself; so I make you this guarantee. Send immediately for the full course in one handy, compact book . . . for only $150.00 and get, in a few weeks, that mighty arm, chest, or hand that you have been wanting for so long a time."

We refer you to the testimonials of the beneficiaries:

The famous radio team of Aunt Polly and Aunt Patty says: "Before we took Prof. Smith's course we were mere weaklings. We couldn't throw our voices two feet, but now we turn handsprings for our daily dozen.

Ben Anderson, the Dusenberg expert: "Previous to my schooling from Prof. Smith, I was a bouncer of the Bowery Cafe; now I'm just a gigolo."

The famous screen comedian, Rebecca Simpson says, "I was once a weak, frail young thing. But after I clipped the coupon and took my first lesson, I have never been the same. People used to snicker at me, now they roar with laughter."

That dauntless explorer, Ralph Nichols: "When I came over with Columbus, my vitality was low; my general condition was such that I could hardly climb the rigging. During my stay in America I took Prof. Smith's course and upon my return home I licked the Swiss Navy."

The Diary of Miss Peeps

Monday—Abed until late so that perforce I did hasten unto my class at the stroke of eight-fifteen, wherefore, a policeman astride a motorcycle did pursue me, but, upon my smiling sweetly on him, he did finally relent and failed to give unto me a ticket. Yet was I so late that my registrar did receive me with remarks that were indeed not kindly meant. She was exceedingly wroth, for that I had been late for the last six days. She did so affect me that I could do naught for the hour but sketch, in my book of notes, pictures of her ludicrous enough. In my next, I was, indeed, cured of my ill humor by the sight of Isabel Ackerman, her bright green and pink scarf. Yet I did not enjoy the next lunch hour I spent at drug store so vexed was I. In the same drug store I did encounter Sarah Crosswell, Eugenia Williamson and Walter Cronkite, all partaking of nourishment. This night I did attend a dance where was rejoiced at the sight of Tom Yerxa, well pleased with himself. It doth much amuse me how little sufficeth to please some persons. The sight of Mary Gray Adams did interest me greatly. Indeed, she doth use her eyes bewilderingly, and to how great effect. Did wonder greatly at the dazzling fall from popularity of some of last year's idols.

Tuesday—To school this morning with full intent of attending all classes, but so enthralled with the sights in the halls and the conversation of Ward Atkins, whom Frances and Mary Katherine had let go for a minute, that I did so desert my intention as to cut three classes. There were, indeed, sights amusing enough to be seen, for, indeed, I did again behold Russel Hensch in knickers, from which spectacle I am well able to derive enjoyment. Did see June Learned talking rapidly to three or four of her attaches. It did amuse me to see Jimmie Dunn hanging on to her every word. Did also see Olive Horne and Bert Schwartz, likewise Henrietta Glascock and Bobbie Lawrence. The afternoon I did spend dragging Main and I was mightily bored. It doth ofttimes make me wonder how co-eds can obtain pleasure by barbed remarks about the other females in the car. At which I think Mary to excel. This night did I go to a movie with Tommy, but so were the movie and my boy friend slow that I was glad enough to return home. And so to take my pill, and to bed.

Wednesday—Did arise at seven-thirty and hie myself to school. Was greatly bored in Miss G.'s French class in having to listen to the child wonder, Harry Lawrence, recite. Did see in his usual place in the hall, Johnny Holmes. How these great and brawny athletes do bore me. It doth seem indeed true that when once a boy doth make a letter it takes him at least ten years to get over it. Saw Harry Bussa fussing hurriedly over the halls. The boy hath fair lost that renowned Scottish phlegm, and doth appear indeed as nervous as a cat in the presence of a dog. To the Conservatory with Howard Johnson. The boy doth have a penchant for the Conservatory. He did so mourn for his Nancy Crow that I fair did weep on his shoulder. Did amuse me greatly to see little Annlee walk away with George right under Loraine's nose. And to a dance with Frank. Did see Elva and Harrison on the porch, likewise Bessie Gray and Preacher.

The cameraman took this picture of the army at the risk of his life. The battle raged till midnight, then the last cadet had scaled the hedge in the rear.

Houston, Texas,
June 5th, 1916.

DEAR AUNT SOPHY:

You know in my last letter I told you I would write you more about the kids in the neighborhood, and you just can't imagine the cute things some of the darlings have been doing lately.

Remember Majie Craig? Well she got her first rattler yesterday and didn't know what to do with it. She stared at it all day, it fascinated her so. (Can you imagine Majie Craig being fascinated enough to keep quiet all day.)

And Harrison Shepherd, the boy with so much hair, (who is boarding with the Smiths) was caught with his hand in the cookie jar. He had to go to bed without his supper. Poor little tyke! He never gets enough to eat. (Feature Harrison going without a meal.)

The little McKaughan girl, Hazel, was out in the park with her nurse, Edith Babb, and Hazel was the most adorable thing you have ever seen, she goo-gooed at bashful, brown-eyed Bill Brown. (She started then and she hasn't stopped yet.)

This morning when the peanut vendor, R. J. Alsup, came by, I bought some knowing that I would have company in the afternoon. When Frank Moncrief saw the peanuts he nearly broke his neck toddling across the street. I couldn't refuse the little monkey, so I gave him one. He didn't chew it, and the first thing I knew he was purple in the face. I was petrified. I called the Doctor and after a hard struggle we got Frank to give up the peanut.

The Orth children, Clara and Oscar, have been fighting again. The other day Oscar tried to take Clara's bottle away—of course she wouldn't stand for that—the old Orth spirit was aroused! a fight ensued. Clara came out victorious with a handful of Oscar's hair. (They are still that way playing bridge.)

Immediately after that, to make matters worse, Chester Posey fell out of his buggy on his head. I nearly went crazy.

Helen Schreck, the temperamental child in the next block, took her first step a few days ago and her Mother is still crowing over that accomplishment.

And what do you think of a small boy who could chew the toe out of one of his grandfather's boots and not be a bit sick either? That's what Lytle Hall did a few days ago.

I think, for this time, I have written enough about the members of this generation, with whom you became acquainted while you were here last Summer. (And what a generation they have turned out to be.)

Please write me real soon and tell me all the news.

Bares Nosed Out by Bulldogs

LILY WHITE SORORITY MEETS

This year San Jacinto has been blessed with a bigger and better crop of lily-whites. The PIKA PATCHA LILIES SORORITY under the auspices of president Winnie Ankenman has blossomed forth in a very flowery manner and produced numerous promising buds—???? Of course the charter members, namely, Bertina Schwartz, Sammie Hindman and that dainty little Miss Martel cannot be classed as merely "buds" for they have have long been in full bloom. However, we have great hopes that the 3 little pledgelets seen at the bottom of the page, "Cap" to assist them (by the way, did you know Miss Harding received the title of "Most Beautiful Flower" this year?), will form a delightful bed of Lilies for next year's crop. P. S. The two little "hot house specimens" seen at the left playing hands, may be quite familiarly known as "E. C." and "Pop."

A GRATE GAME

The San Jacinto Golden Bares lost a heartbreaking football game to the Kinkade Bulldogs on the recent July 4, 1996. The game ended with the Bares in possession of the ball on the 219 yard line. Ah, 'twas a gross atrocity.

To begin this most disgusting dame our ancient and dishonorable enemies kicked off to the bares. Bussel Pinch, a big bear end, received the ball and being backed up, way back, by his team mates gained a minus ten yards. The boys were off to a great finish. On the first play Harrison Leopard was served the pigskin with horseradish dressing. He gained 852 yards through Elmer Dammage's guard position. This was good for a first down.

The game continued until somebody shot a pistol which woke this writer from his sleep. I was informed the game had ended in a tea-dance favoring Kinkade.

A FRIENDLY MESSAGE

To a Boy and Girl:

The A-B-C Food Stores are glad to have had a small part in helping to perpetuate the memory of your school years at San Jacinto School. We hope that you will march steadily forward, until you reach the ultimate goal of—SUCCESS. And just as we have welcomed the mothers and fathers of many of your schoolmates into our stores, we hope, that as the years pass, it will be our privilege and pleasure to extend a hearty welcome to you and your family. With every good wish for your future happiness, we bid you Godspeed on your journey through life.
